

**PRESS RELEASE**

## **activePDF Announces the Release of Service Pack 4 for Its Server, Toolkit and WebGrabber Products**

**MISSION VIEJO, California – February 11th, 2002** – *activePDF Inc, the leading provider of server-side PDF development and conversion tools for Windows NT, XP and 2000*, today announced the release of Service Pack 4 of activePDF Server, activePDF Toolkit and activePDF WebGrabber Version 3.5.2.

As part of the continuing effort to provide clients with high quality products and services, this Service Pack includes several bug fixes and enhancements, including 128-bit encryption in Server and Toolkit, stitching and font handling improvements in Toolkit and IE 5.5 and 6.0 handling in WebGrabber. A complete listing of which can be found on the activePDF website at [www.activepdf.com](http://www.activepdf.com). This upgrade is free. Any queries can be directed to activePDF's sales department: [sales@activepdf.com](mailto:sales@activepdf.com)

### **About activePDF**

activePDF Inc, the leading provider of server-side PDF development and conversion tools for Windows NT and 2000, offers a complete suite of industrial strength PDF tools that free the developer from the nuances and idiosyncrasies of dynamic PDF creation. The most comprehensive server-side PDF development tools in existence, activePDF software remains unique in the PDF industry by offering a server-based suite of tools with no per user or per document licensing. activePDF is the only PDF tool vendor to also provide COM object level access within all of its products to give developers complete control over the PDF creation and manipulation process. Create, paint, form-fill and convert from 280 document types, including HTML, to PDF dynamically. activePDF's 5,000 worldwide customers include numerous Fortune 500 corporations, US and international government agencies and multinational organizations. activePDF and its product names are trademarks of activePDF, Inc. All other product and company names herein are trademarks of their respective owners.

activePDF is headquartered at 27405 Puerta Real, Suite 100, Mission Viejo, California 92691-6314
