

ENTRY LEVEL RESELLER PROGRAM

The activePDF Entry Level Partner Program focuses on providing smaller resellers with the opportunity to sell activePDF solutions and work to acquire higher levels of partner status. Entry Level Partners have access to the same high-quality activePDF software, technical support, product information and marketing opportunities as our premiere partners.

activePDF Solutions

activePDF Inc. is recognized as a leading provider of server-side PDF conversion and development tools for Windows NT, XP and 2000, offering a complete suite of affordable industrial-strength PDF tools that free the developer from the typical dilemmas associated with dynamic PDF creation. With the ability to create, paint, form-fill and convert from 280+ file types, including HTML-to-PDF, activePDF products offer exceptional functionality at a fraction of the cost of comparable solutions.

activePDF's solutions for dynamic PDF generation, conversion and manipulation are activePDF Server™, activePDF DocConverter™, activePDF WebGrabber™, activePDF Toolkit™, activePDF Printer™, activePDF Spooler™ and activePDF PDFPrint™.

Who uses activePDF Solutions?

activePDF currently has a global distribution network spanning every continent, providing sales and technical support to more than 5,000 clients worldwide. activePDF's server-based products are positioned to meet the requirements of any organization in need of cost-effective and robust PDF software solutions. activePDF customers include Fortune and Global 500 organizations in financial/banking services, manufacturing, pharmaceutical, healthcare, education and government industries. Becoming an activePDF Entry Level Reseller

Becoming an activePDF Corporate Reseller requires no initial financial commitment.

Grow your business

Partnering with activePDF allows your company to develop profitable business opportunities, market cutting-edge solutions and ultimately increase sales.

Selling activePDF solutions allows you to generate additional revenue above and beyond product sales figures, by affording you the opportunity to provide implementation services to your customer to ensure a completely integrated e-document solution. Additionally, your business can draw consistent revenue from customers using activePDF solutions by offering fee-based maintenance services.

We work hard to ensure that our partners are successful in promoting and selling activePDF solutions and offer numerous co-marketing opportunities in order to make this happen. activePDF is a regular exhibitor at key industry tradeshow events and the product line is aggressively marketed using targeted on-line and print advertising initiatives in addition to successful PR campaigns.
