

activePDF Case Study Form

Company Name:

Industry:

Challenge:

Solution:

Results:

The Challenge

Please provide a brief overview of your company (1-2 sentences)

What distinguishes your company from others in your industry?

What is the role of your department within the company?

What business challenge was your company trying to solve in looking for a PDF solution?

Can you describe the business process in effect before implementation of activePDF?

The Solution

Please describe the solution implemented (configuration environment etc.) and how this has changed the aforementioned business process?

The Results

Please summarize three main benefits of using activePDF solutions.

What were the deciding factors in your choice to purchase activePDF products as a solution? (Price, Features, Support, etc.)

Did you evaluate other PDF solutions? If so, why were the other products not suited to the task?

Please provide a 1-2 line quote for our client testimonial section.
